**RESPONSE TO RESTRICTION REQUIREMENT**

Sir:

In response to the Office Action dated October 3, 2005, applicant provisionally elects the claims of Group I (claim nos. 1-24), with traverse. While the device of Group I and the method of Group II may be distinct for the reasons set forth by the Examiner, applicant believes that simultaneous examination will not present an undue burden. For example, the two Groups of claims include subject matters that are classified commonly in class 349.
